SERVICE

BASIC & ADVANCED LIFE SUPPORT

- BLS – Emergency medical technicians are trained in CPR, defibrillation, spine and limb immobilization techniques and oxygen therapy.
- ALS – Paramedics provide advanced life support beyond the BLS level via IV therapy and medications, assistive airway techniques and 12 lead EKG.

EDUCATION & COMMUNITY

Each year we provide hundreds of hours of CPR and First Response training as well as serve as a satellite EMT Training School. We are also a PA Certified EMS Continuing Education center.

We provide Event Medical coverage throughout the year for local sporting events, parades, and many other types of community activities.

HOMELAND PREPAREDNESS

Communities such as ours must constantly prepare for any incident that could disrupt daily life. BEMS and our partners are continually working with local, state and federal agencies to coordinate our staff and resources for first response interventions when called upon to protect our community as well as our region.

Subscription entitles any household member to EMERGENCY ambulance service, when available. We reserve the right to bill your insurance.

DONATIONS

Burholme EMS is a non-profit organization operating without tax-dollar support. We pledge to keep our subscription as low as possible while maintaining the high-quality services our community has come to expect.

- ☒ Senior Citizen Rate - \$40.00 (any household where at least (1) senior resides)
- ☒ Our EMS Partnerships represent more than 150 years of combined emergency service experience, answering 6,300 calls for help annually. Your subscription is good in any of the 10 neighborhoods we cover, no matter which of our partner services respond.
- ☒ Help us help you. Your support allows us to maintain staff and equipment that could save your life or someone you love.
- ☒ Today we need you. Tomorrow, you might need us.
- ☒ Contributions are tax deductible.
- ☒ We are a non profit 501(C)3 organization.
